Good story - well performed

Moving story, such a brave thing to tell it.  
Well performed, a real insight into  
Kosovo & Croatian / Serb trouble.

Brilliant address, really enjoyed it. Very evocative

Great story, well performed, how did you remember all  
those faces!

An amazing talent - I was  
entranced throughout the whole  
performance.

What a wonderful courageous piece and performance.  
Completely authentic, depth & multi-talented.
